

GENTERA ANNOUNCES THE DECISION MADE BY FITCH RATINGS

Mexico City, April 27, 2017 – GENTERA, S.A.B. de C.V., (“GENTERA”) (BMV: GENTERA*) informs that Banco Compartamos S.A. I.B.M., the main subsidiary of GENTERA, was affirmed today in its Viability Rating (VR), as well as its foreign- and local-currency long and short-term Issuer Default Ratings (IDRs). Its national scale long- and short-term ratings were also affirmed.

Fitch Ratings took the following actions:

- Long-term foreign and local currency IDRs at 'BBB', Outlook Negative;
- Short-term foreign and local currency IDRs at 'F2';
- Viability Rating at 'bbb';
- Support Rating at '5';
- Support Rating Floor at 'NF'.
- National-scale long-term rating at 'AA+(mex)', Outlook Stable;
- National-scale short-term rating at 'F1+(mex)';
- National-scale long-term rating for local issues of senior unsecured debt at 'AA+(mex)'.

According to the press report issued earlier today, Fitch stated:

“... Compartamos' IDRs are driven by its stand-alone credit profile as reflected by its VRs. The Negative Outlook on the Long-Term IDRs highlights the downside potential from a sovereign downgrade because Fitch considers that Compartamos' performance and prospects could be affected by a worsening environment. Fitch's expectation is that the relativities of Compartamos VR/IDRs versus the sovereign rating will be maintained in the event of a potential sovereign downgrade...”

About GENTERA

GENTERA, S.A.B. de C.V. (formerly Compartamos, S.A.B. de C.V.) is a holding company whose primary objective is to promote, organize and manage companies, domestic and international, that are subject to its investment policies. On January 2, 2014, the ticker symbol was changed to GENTERA*.

Note on Forward-Looking Statements

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, Company performance and financial results. The words “anticipates”, “believes”, “estimates”, “expects”, “plans” and similar expressions, as they relate to the Company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
